

Air University/Maxwell AFB Public K-12 Education 2020 Plan

Mission. Identify, recommend, and implement ways to improve public K-12 educational options for military-connected children in the River Region

Goal 1. Build on the educational excellence of Maxwell Elementary/Middle School (MEMS)

Obj. 1.1. Determine demand for on-base K-8/9-12 education to inform next steps

Obj. 1.2. Preserve old MEMS facility to ensure future capacity

Obj. 1.3. Expand eligibility for off-base residents to attend MEMS to increase acceptable options

Goal 2. Improve communication with Airmen and spouses about public K-12 education efforts and options in the River Region

Obj. 2.1. Change the narrative of public K-12 in the River Region to show the AF we have quality options

Obj. 2.2. Inform current/in-bound Airmen/spouses of pathways to help them seize acceptable options

Goal 3. Deepen relationships with key stakeholders and partners

Obj. 3.1. Improve working relations with public school districts to ensure continuity

Obj. 3.2. Maintain relationships with local, state and national stakeholders to expand support

Goal 4. Sustain and expand tangible successes from 2019

Obj. 4.1. Sustain and expand enrollment options to ensure stability and demonstrate progress

Obj. 4.2. Expand high school athletic eligibility to children of off-base students attending school out-of-district
